

Lodging for the 08 Intensive in Santa Barbara:

We request that you reserve a room ASAP at the El Prado Inn which is the closest hotel to the Institute & about a 4 block walk. In June they will not offer any group discounts.

Their website is: www.elprado.com

Their phone # is 800 6698979 or (805) 966-0807

El Prado is conveniently located in downtown Santa Barbara at 1601 State St. on the corner of Arrellaga St. I suggest that you reserve a room at El Prado (about \$135 per night) early on, you can always cancel it later & I will definitely have participants who will be looking for a room there.

Their cancellation policy is 24 hours notice.

They are not offering reduced rates at that time of year.

Please confirm with me when you have reserved a room

Another possibility is to try Craig's list: [**santabarbara.craigslist.org**](http://santabarbara.craigslist.org), which is a great website for finding alternative lodging in Santa Barbara, often in peoples homes.

Go to the section called Housing at the top, then point & click on Vacation rentals.

Find a title that draws you & click on it for detailed info. You may have to search.

But if you keep scrolling you will see fees per night (about \$100.00 per night) rather than per month.

It has new postings all the time.

You may even want to rent a house & have others join you.

If you do this I will be happy to refer participants to you to house share.

You can also post an ad yourself or do a house exchange
